Resurrect the evening, brought it back as if filled in
Filled in something missing, something never there to
begin
You were so distraught, had never been in love
Guess you learned your lesson, don't starve a poor boy

You could not help yourself from crying the entire night
It's painful when you realize your lives are intertwined
It's helped me somewhat

Bah bah dah, bah bah dah
Bah bah dah dah dada dah
Bah bah dah, bah bah dah
Bah bah dah dah dada dah

Well, I'll be yours forever just tell me when to start
There are just a few places that I'll need to stop
Well, some along the way
Some in the midst of, in the midst of our eternal love

You could not help yourself from crying the entire night
It's painful when you realize your lives are intertwined
It's helped me somewhat, it's helped me somewhat, oh
oh

Bah bah dah, bah bah dah
Bah bah dah dah dada dah
Bah bah dah, bah bah dah
Bah bah dah dah dada dah dah

Bah dah dah dah dah
Bah dada dah dah
Bah dada dah dah
Bah dada dah dah

Why lie? The truth's easy to find in time
Forgive me of this crime, it's alright
Swear I'll never, swear I'll never
Swear I'll never do this again

Why lie? The truth's easy to find in time
Forgive me of this crime, it's good night

I don't even, I don't even
I don't even know her, her name
