I don't know why,
you love me like you do,
It's not like am special,
special like you,
Open your eyes,
she's just been reading lines,
But she's ever so convincing
'won't to believe her this time,

Who said anything about falling in love,
lost my mind when I surrendered
everything to find your in love,
This is my mistake cuz
who said anything about falling in love
in love, in love.

Some one like you,
Was made to be enjoyed
But it won't b by me,
and that leaves me terrified
Am coming to terms,
and no it didn't mean a thing to ya
didn't mean a thing but it,
meant quit a lot, to me,
meant to much I can't see

Who said anything about falling in love,
lost my mind when I surrendered
everything to find your in love,
This is my mistake cuz
who said anything about falling in love
in love, in love.

I know I know
that your just being kind
but it's giving me a false hope,

I know I know
that I only need a little
just a little bit of false hope,

I know I know

that am only seeing what I want ta,
(whooaahhh)

Who said anything about falling in love,
lost my mind when I surrendered
everything to find your in love,
This is my mistake,

Cuz who said anything about falling in love,
lost my mind when I surrendered
everything to find your in love,
This is my mistake, cuz

Who said anything about falling in love,
lost my mind when I surrendered
everything to find your in love,
This is my mistake,

Who said anything about falling in love,
This is my mistake,

Who said anything about falling in love.
