The truth be told, the truth be told
I'm worried what the future holds, the future holds
I'm starting to worry about Ray

The truth be told, the truth be told
I'm worried what the future holds, the future holds
I'm seriously worried about Ray

They say the future's out to get you
You know that I won't let you fall
They say the future's out to get you
You know that I won't let you fall

The truth be told, the truth be told
I'm treading on my tippy toes, my tippy toes
I'm starting to worry about Ray

The truth be told, the truth be told
I'm treading on my tippy toes, my tippy toes
I'm painfully so worried about Ray

They say the future's out to get you
You know that I won't let you fall
They say the future's out to get you
You know that I won't let you fall, no!

They say the future's out to get you
You know that I won't let you fall
They say the future's out to get you
You know that I won't let you fall

The future's out to get you
The future's out to get you, oh
The future's out to get you
The future's out to get you, oh

The truth be told, the truth be told
I'm worried what the future holds, the future holds
I'm so tired of being worried about Ray
