I know you have a hidden love  
A triangle has formed  
A disaster is at hand  
Let me hear your voice  
Lie to me  
Your mind is a place  
So cold it kills

Cut my heart  
Make me bleed  
Cut my skin  
Make me scream  
[2x]

I know now you want to apologize  
You need to show me who you love the most  
I know you must make a sacrifice

Cut the skin

Make it bleed  
Make it scream [2x]

Cut my heart  
Make me bleed  
Cut my skin  
Make me scream  
[4x]

I know jealousy is always a part of me  
Kiss me if you dare  
Prove who you love  
Touch with your lips and destroy  
Drown me in the truth  
Make me scream [2x]

Take my heart  
Make me bleed  
Cut my skin  
Make me scream  
[2x]
