Don't wake me up if I'm dreamin'  
Don't wake me up from this world  
My eyes wide open, I'm sleepin'  
And you've got all of this girl

And she just wants to get lifted  
I can't explain how it feels

I've been thinking about  
How the world goes round  
Just a hint of your voice  
And I follow the sound  
I've been thinking about  
How to lock you down  
If you plan on checkin' out  
Just don't tell me now

If you're checkin' out  
Just don't tell me now  
If you're checkin' out  
Just don't tell me now

Stop the clocks, I'm sleep walking  
Dancing dangerous moves  
Can't hear me now but I'm talking  
Revealing all to you  
No safety net and I'm fallin'  
But we've got nothing to lose

I've been thinking about  
How the world goes round  
Just a hint of your voice  
And I follow the sound  
I've been thinking about  
How to lock you down  
If you plan on checkin' out  
Just don't tell me now

If you're checkin' out  
Just don't tell me now  
If you're checkin' out

Just don't tell me now

Friday night is over, feel the sun go down  
Sleeping on my pillow next you  
It's so obvious I like to have you around  
So don't tell me tomorrow that we're through

Don't wake me up if I'm dreamin'  
Don't wake me up from this world  
My eyes wide open, I'm sleepin'  
And you've got all of this girl

I've been thinking about  
How the world goes round  
Just a hint of your voice  
And I follow the sound  
I've been thinking about  
How to lock you down  
If you plan on checkin' out  
Just don't tell me now

If you're checkin' out  
Just don't tell me now  
If you're checkin' out  
Just don't tell me now

If you're checkin' out  
Just don't tell me now  
If you're checkin' out  
Just don't tell me now
