Been begging the stars to bless this city with a fresh
new face

What do I spy with my two eyes?

Am I so freaking faded this is a hallucination?

One look, one glance

Do you speak dance?

Your accent's cute but talk no more the records in
rotation

Hey rider

Outsider

Let's get it goin'

Make the beat bang louder

Strangers well yes sir

But let's grind like the speakers in danger

Hey rider

Outsider

Let's get it goin'

Make the beat bang louder

Strangers well yes sir

But let's grind like the speakers in danger

Your working my ass my mind- same time

Like yoga 101

I'm twerking your body making you sweat, we've only just begun

We're saying so much more than we could by flapping our two lips

By paying attention having conversation with our hips

The synths the drums

Say where you're from

Electro ghetto goodness pinpoint your exact location

One look, one glance

Do you speak dance?

Your accent's cute but talk no more the records in rotation

Hey rider

Outsider

Let's get it goin'

Make the beat bang louder

Strangers well yes sir

But let's grind like the speakers in danger

Hey rider

Outsider

Let's get it goin'

Make the beat bang louder

Strangers well yes sir

But let's grind like the speakers in danger

The beat, the snare, run your fingers through my hair

Your lips, my thighs, the color of your eyes

The beat, the snare, run your fingers through my hair

Your lips, my thighs, the color of your eyes

Hey rider

Outsider

Let's get it goin'

Make the beat bang louder

Strangers well yes sir

But let's grind like the speakers in danger

Hey rider

Outsider

Let's get it goin'

Make the beat bang louder

Strangers well yes sir

But let's grind like the speakers in danger

So where ya from, huh?

Don't speak, just dance

Just dance with me

Just dance
