Black bleeding to white

Rude but still polite

Backwards like the sun out in the middle of the night

Innocent but tough

Soft but kinda rough

When I've had enough

I pop you

Theres only 24, 24 hours in a day

And 36, 36 different karma sutra games

It's 99, 99 degrees when you look my way

Like 25, 25 milligrams to make me stay up

Ooh you're my viagra

Ooh you're my viagra

Ooh you're my viagra (ooh-ooh ooh-ooh)

Ooh you're my viagra

Ooh you're my viagra

Ooh you're my viagra (ooh-ooh ooh-ooh)

This chemistry 'tween you and me

Uh uh uh unstoppable

That move baby I'll never forget

It it it gets me so...ah

Black bleeding to white

Rude but still polite

Backwards like the sun out in the middle of the night

Innocent but tough

Soft but kinda rough

When I've had enough (when I've had enough)

I pop you

Theres only 24, 24 hours in a day

And 36, 36 different karma sutra games

It's 99, 99 degrees when you look my way

Like 25, 25 milligrams to make me stay up

Ooh you're my viagra

Ooh you're my viagra

Ooh you're my viagra (ooh-ooh ooh-ooh)

Ooh you're my viagra

Ooh you're my viagra

Ooh you're my viagra (ooh-ooh ooh-ooh)

Don't come in a bottle

Don't come in a package

I can't take a tea spoon

But I've got to have it

Inject you

I'll drink you

I'll dream you

I'll think you

Keep working I'll need you
Stop working I'll leave you
'Cause ooh you're my viagra
Ooh you're my viagra
ooh you're my viagra (ooh-ooh)
Theres only 24, 24 hours in a day
And 36, 36 different karma sutra games
It's 99, 99 degrees when you look my way
Like 25, 25 milligrams to make me stay up
Ooh you're my viagra
Ooh you're my viagra
Ooh you're my viagra (ooh-ooh ooh-ooh)
Ooh you're my viagra
Ooh you're my viagra
Ooh you're my viagra (ooh-ooh ooh-ooh)
