I put a snailshell in your last mouthful,  
in your last mouthful,  
in your last mouthful  
x2

Hmm-  
You're a wicked boy,  
bought me a seacow,  
bought me a seacow  
x2

You buy a horse, you buy a horse  
and the horse wants to lick you  
You've tried it on but it will never taste you

I've noticed you keep me in parts  
Remember that you used to eat me  
Replaced right back to start,  
I thought that you should eat me

We've got a nice room,  
view over seashores,  
view over seashores

You've got a sun in your mouth  
Remember that you used to eat me  
Replaced right back to start,  
I thought that you should eat me

I've noticed you keep me in parts  
Remember that you used to eat me  
Replaced right back to start,  
I thought that you should eat me
