Have I the right to hold you. You know I've always told
you
That we must never ever part oh ooh ooh oh

Have I the right to kiss you. You know I'll always miss
you
I've loved you from the very start

Come right back I just can't bear it
I've got this love and I long to share it
Come right back I'll show my love is strong

Have I the right to touch you. If I could you'd see how
much you
Send those shivers running down my spine. Ooh Ooh

Have I the right to thrill you. You know I'll wait until you
Give me the right to make you mine.

Well, come right back I just can't bear it
I've got this love and I long to share it
Come right back I'll show my love is strong. Oh yeah.
All right!

(break)

Have I the right to hold you. You know I've always told
you
That we must never ever part. No no no no no no

Have I the right to kiss you. You know I'll always miss
you.
I've loved you from the very start.

Come right back I just can't bear it
I've got this love and I long to share it
Come right back I'll show my love is strong. Oh yeah
yeah

Come right back I just can't bear it
I've got this love and I long to share it

Come right back right back where you belong oh yeah
You belong oh yeah you belong
