The agony and the harm is critical  
Through a frosted stopwatch  
Time is ticking  
Tick, tick, tick, tick, dead

A new Ice Age  
Closer day by day  
Will freeze when ice wings  
Are swooping down

There'll never be a new Ice Age like this one  
How we need it now  
Ice will make a thousand sculptures  
And ice will spit them out

Ice hits the medicine counter  
Ice knocks the sniper down  
Ice spoils the cocoa powder  
Ascends to the frozen crown  
The saturation, the agony

There'll never be a new Ice Age like this one  
Minds on the sleeper train  
Ice will make a thousand sculptures  
And ice will spit them out

Ice spit out, ice spit out  
Ice shocks a sleeping system  
Ice hits the dead beat bar  
Ice hits the faceless enemies  
Ice strikes the cowering clowns

A new Ice Age  
The coldest days  
Will come  
Welcome to the Ice Age

There'll never be a new Ice Age like this one  
How we need it now  
Ice will make a swooping kill  
And ice will spit it out  
C'mon spit it out
