Can you stop me now, can you find me now
Can you tell me where I am
No, no, no you can never know
If I'm out or if I'm in
You can never know if I'm here

But you know you can't stop me now, and you can't find
me now
Can never find out where I am
No, no, no you can never know
If I'm up or if I'm down
Cause I'm out here on the street 'n' dancing
Come and dance here with me!

You can go swimming, or running
You can do almost anything
But me I mostly only, really do one single thing
That you can do most any place
And I think that's really ace
Come and dance here with me!

Can you stop me now, can you find me now
Can you tell me where I am
No, no, no you can never know
If I'm out or if I'm in
You can never know if I'm here

But you know you can't stop me now, and you can't find
me now
Can never find out where I am
No, no, no you can never know
If I'm up or if I'm down
Cause I'm out here on the street 'n' dancing
Come and dance here with me!

Sometimes you know have to go back home again
And mum tells me to do my homework
I just don't wanna go inside cause it's so boring
That's something all children know so what I tell you is
this:
Come and dance here with me!

It's like in stories
Where you can do whatever you want
You should try it you'd like it
It's just like singing a song

Can you stop me now, can you find me now
Can you tell me where I am
No, no, no you can never know
If I'm out or if I'm in
You can never know if I'm here

But you know you can't stop me now, and you can't find
me now
Can never find out where I am
No, no, no you can never know
If I'm up or if I'm down
Cause I'm out here on the street 'n' dancing
Come and dance here with me!
