Forever seems so far
Forever seems so cold
Forever cries the heart
Forever yearns the soul
When all the angels
Fly far from thee
When demons dance
In dream ...
When all these words
Don't seem to form
What are these words
Without your soul
Forever lights the stars
Forever haunts the ghost
When all the angels
Fly far from thee
When demons dance
In dream ...
Fall down on me
We'll fly into the night
Fall down on me
We'll fly into the night

And now it seems our worlds have grown
We're in a place we've never known
Just know where darkness falls
Then forever comes the stars
When all the angels
Fly far from thee
When demons dance
In dream ...
Fall down on me
We'll fly into the night
Fall down on me
We'll fly into the night
Fall down on me
We'll fly into the night
Fall down on me
We'll fly into the night
Into the night
Fall down on me

We'll fly into the night
Fall down on me
We'll fly into the night
