Resurrect the evening  
Brought it back  
'Cause it filled in,  
Filled in something missing,  
Something never there to begin  
You were so distraught,  
Had never been in love  
Guess you learned your lesson  
Don't starve a poor boy

You could not help yourself from crying  
The entire night  
It's painful when you realize  
Your lives are intertwined  
It's hell to need someone

Ba ba da, ba ba da  
Ba ba da, da da da da  
Ba ba da, ba ba da  
Ba ba da, da da da da

I'll be yours forever  
Just tell me when to start  
There are just a few places  
That I'll need to stop  
Some along the way  
Some in the midst of  
In the midst of our  
Eternal love

You could not help yourself from crying  
The entire night  
It's painful when you realize  
Your lives are intertwined  
It's hell to need someone  
It's hell to need someone

Ba ba da, ba ba da  
Ba ba da, da da da da  
Ba ba da, ba ba da  
Ba ba da, da da da da da

Ba da da da da  
Ba da, da da da  
Ba da da da da  
Ba da, da da da

Why lie?  
The truth's easy to find  
In time  
Forgive me of this crime  
It's alright  
Swear I'll, gonna swear I'll never,  
Swear I'll never do this again

Why lie?  
The truth's easy to find  
In time  
Forgive me of this crime  
It's good night  
I don't even, I don't even  
I don't even know her name
