If you want, if you want to be the one that he's thinking
of
You just need to understand
Just turn around
Just turn around
Oh-oh

You are the only thing, the only thing that he has left
The only thing at all, the only thing at all

In later hours when the packed bars start spitting
cowards
They're picking scars
Cell phones clenched along the sidewalk
They usually stay out of our way
The bridge and tunnel just seems to escape near our
home

If you want, if you want to be the one that he's thinking
of
You just need to understand
Just turn around
Just turn around
Oh-oh

You are the only thing, the only thing that he has left
The only thing at all, the only thing at all

In later hours when the packed bars start spitting
cowards
They're picking scars
Cell phones clenched along the sidewalk
They usually stay out of our way
The bridge and tunnel just seems to escape near our
home

While there is no one else around,
We've been waiting for countless hours,
No, you will never, you will never measure out,
'Ca-'Ca-'Ca-'Cause baby we'll all soon come to an end,
'Ca-'Ca-'Ca-'Cause baby we'll all soon come to an end.

In the later hours,
When the packed bars start spitting cowards,
Picking scars cell phones clenched along,
Along the sidewalk

Well they usually stay out of our way,
The bridge and tunnel just seems to escape near our
home,
Near our home.

Because you are the only thing,
The only thing that he has left,
The only thing at all...
