Are you not the slightest bit confused?
Just the truth
The speed at which we move blends so well
It's too soon

Separate yourself from what compels you to relinquish
us
Push your way on to me, entirely
Stay away from me, stay away from me now
'less you're gonna see, 'less you're gonna see me out

No, I can't dance unless it's slow or sad
To a song that's far less obvious
If you're using me, do it slowly
Make it last until I have to go

Trust me when I say just a few more weeks
Don't move
Resist temptation or do as you see fit
Just choose

Separate yourself from what compels you to relinquish
us
Push your way on to me, entirely
Stay away from me, stay away from me now
'less you're gonna see, 'less you're gonna see me out

No, I can't dance unless it's slow or sad
To a song that's far less obvious
If you're using me, do it slowly
Make it last until I have to go

No, I can't dance unless it's slow or sad
To a song that's far less obvious
If you're using me, do it slowly
Make it last until I have to go

No, I can't dance unless it's slow or sad
To a song that's far less obvious
If you're using me, do it slowly
Make it last until I have to go

Stay away from, stay away from, stay away from me
Stay away from, stay away from, stay away from me
Stay away from, stay away from, stay away from me
