Bad scars and past lovers
Leave another war
Heartbreak undercover
Leads you too far

Secret weapon deadly
When it's just too early
Suicide dramas heavy
When you feel so lonely

Have another it'll be ok
You got something that you wanna say
Stay with me and it'll pass the time
Take another drag, try to unwind

If it's you
Then I don't wanna know
If it's love
Then hold me close
If it's true
It'll be alright
It'll be alright
It'll be alright

Keep it under file
Don't let em know your style
Bloody nose for kicks
Leave it like it is

Take a chance to stand
And have scorn for the rest
Leave them hanging out
Pleading no contest

Think about it, it's all you should say
Have another it'll be ok
Stay with me and it'll pass the time
feel another feeling that was hard to find

If it's you
Then I don't wanna know
If it's love

Then hold me close
If it's true
It'll be alright

It'll be alright
Just hold up the fight

And all I want is just an easy night
I'll say what you need for the rising tide
In the end I am just like them
I am not worth it, I am not worth it

But love knocks in
It's coming in
There's more to it
But what is it?

If it's you
Then I don't wanna know
If it's love
Then hold me close
If it's true
It'll be alright

It'll be alright
It'll be alright
