When I go walking,
I put my golf shoes on.
I rail at the ignorant,
And I scream at the sun.

I lose myself at times,
And I think it's all good fun,
But I don't know what to do,
When my life keeps marching on.

Seeing all of my life going by,
Seeing all of my life going by
See the lie and my life goes back.
Don't know where it's going,
But it's coming back for me.

I burn the bridges to myself,
And I think it's all good fun.
I fall asleep on my knees,
But in my mind I still run.

I can't feel anything,
But then again it's still too strong.
So I don't know what to do,
When my life keeps marching on.

Seeing all of my life going by,
Seeing all of my life going by
See the lie and my life goes back.
Don't know where it's going,
But it's coming back for me.
