[Verse 1]

Yo, this is Art Of War in a drum loop  
Wordplay is Kung Fu  
Soul music when I come through with that solar panel  
sunroof  
Just so you know I'm so cold (You so cold?)  
I'm so cold (You so cold..)  
Yeah girl, I'm so cold  
And I'm so focused riding 'round with my soul sis  
Staring at her waistline it'll put you in hypnosis  
It's just peace, love and hope  
Yup, that's all I say in my quotes  
While I'm lighting up that incense  
Talking to the face in that smoke  
See I'm fly down to my toes  
Catch me at the Aakhet wit my folk  
Remember all them days and nights we was broke  
What a life heatin' up our houses with hope  
They say heaven is inside  
Sh\*t then let's get it while we alive  
It's that Honors E, the new Huey P  
And for my people we gon' ride because I

[Hook]

I do this for my people and my culture  
We some real rebels from the streets thought I told ya  
Represent the royal ones boy we taking over  
We taking it over  
Yeah we taking it over  
If you with me say  
Yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah  
Yeah (What's up) yeah (What's up), yeah (What's up,  
what's up, what's up)  
Yeah (What's up) yeah (What's up), yeah (What's up,  
what's up, what's up)

[Verse 2]

I'm just ridin' round with my partna 'n' 'em

Tryna find enlightenment  
Flow dumber than a debate between Palin and  
Bachmann  
They thought I'd never rap again  
You don't see what I'm establishin'?  
We airbaggin' 'em, blow up in their face  
And say that sh\*t was an accident  
And I hate to say that I'm practicing  
Cause I shattered them, wait I'm blackin' out  
Okay I'm back again, wait I'm not here this isn't  
happenin'  
I'm with my queen we castlin' pullin' up to our  
establishment  
We palacin', shine all around until we make they  
shadows spin  
Nobody's in my habitat  
Who's on top, I'm after that  
I take your raps, give it back  
Nine months after that, platinum plaques  
Boy I spit that fire, hurry up and put that whip in drive  
It's that Honors E, the new Huey P  
For my people we gon' ride because I

[Hook]

I do this for my people and my culture  
We some real rebels from the streets thought I told ya  
Represent the royal ones boy we taking over  
We taking it over  
Yeah we taking it over  
If you with me say  
Yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah  
Yeah (What's up) yeah (What's up), yeah (What's up,  
what's up, what's up)  
Yeah (What's up) yeah (What's up), yeah (What's up,  
what's up, what's up)
