You use mistletoe  
You use mistletoe  
I call poison control

You try to kill me  
You try to kill me  
I call poison control  
You break my arm  
You break my arm

You burn my head  
You burn my head  
I call the police in  
I'll kill you now  
I'll kill you now  
I'll kill you now  
I'll kill you now

I call my brother to here  
I call my brother to here  
You a lying crazy  
I call my brother to here  
Hey brother

You smother my breath  
You cut my breast  
I call an ambulance  
You take me down  
I call your name out

I need you with me  
I call your name out  
I love you my man  
I call your name out

I want you to stay here  
I call your name out  
I can't leave you  
I call you name out  
You a pig-eyed comments  
I'll give it to you

You a pig-eyed comments  
I'll give it to you.
