You see her dancing out on the floor Sunday you need  
love Monday  
be alone  
you wanna wanna wanna have her like before Sunday  
you need love  
Monday be alone  
but you gonna use her, shape her for your needs  
Sunday you need  
love Monday be alone  
you gonna make promises you never never keep,  
Sunday you need  
love Monday be alone  
you gonna leave her out on her own, Sunday you need  
love Monday  
be alone  
cause Sunday you need love love Monday be alone  
lone  
Sunday you need love Monday be alone  
Hey you you you tender young lady  
wonder where you go, where you sleep tonight  
Hey you everlovin woman  
beware you don't pass the borderlines of light  
You gonna use her use her, shape her for your needs  
Sunday you  
need love Monday be alone  
You gonna make promises you never never keep  
Sunday you need  
love Monday be alone  
You gonna leave her out on her own Sunday you need  
love Monday  
be alone  
cause sometimes you want her want her then again you  
don't  
Sunday you need love Monday be alone  
Sunday you need love love Monday be alone lone  
Sunday you need love Monday be alone  
Hey you you you, tender young lady  
wonder where you go, where you sleep tonight  
Hey you, everlovin woman  
beware you don't pass the borderlines of light  
Better find someone else, to treat you well

better find a good man to give you some respect  
begin the rockin'  
Hey you you you you, tender young lady
