City street map outskirts of town
South side skyscraper scape
Serve and protect my ass
Search and annoy
Search and annoy
Search and annoy
Seek hunt
There is a motive for every movement

This is the way I remember it to be
This is the way I remember it to be
This is the way I remember
Your skin to be

You've got skin like porcelain
Like dirty porcelain
Like crusty porcelain
Like restroom porcelain
The best place for you
Is the hell out of my sight

This is the way I remember it to be
This is the way I remember it to be
This is the way I remember it to be

Write a check
Write a check
And make it out to my associate
Make it to your associate
Be content
With a less than spicy lifestyle
