Monday left in the morning, and the week flew by.
You took your leave without warning, not even a reason
why.
Your lips about to be tongue tied, are you loud and
clear?
Now I'm telling you that I want you, yeah.

So now it's b-b-bye b-b-baby won't you giddy up?
(Woahohoh) before my love runs cold.
And if you make me wait I'll give you up.(ohohoh)
Cause your loves on hold

You told me I should be patient, that I should bide my
time.
(Bide my time)
How far does it take you no?

So now it's b-b-bye b-b-baby won't you giddy up?
(Woahohoh) before my love runs cold.
And if you make me wait I'll give you up.(ohohoh)
Cause your loves on hold b-b-baby won't you giddy up?
(ohohoh) Before my love runs cold.
And if you make me wait I'll give you up.(ohohoh)
Cause your loves on hold, your loves on hold, your
loves on hold.
But you won't be told.

Baby won't you giddy up? (ohohoh) Before my love
runs cold.

And if you make me wait I'll give you up. (woahohoh)
Cause your loves on hold.

B-b-baby won't you giddy up? (ohohoh) Before my love
runs cold.
And if you make me wait I'll give you up. (woahohoh)
Cause your loves on hold.

B-b-b-baby won't you giddy up?

B-b-b-baby won't you giddy up?

And if you make me wait I'll give you up. Give you up,
give you up

(Ohohohohaoh)

B-b-b-baby won't you giddy up?
And if you make me wait I'll give you up, give you up.
