Only love, only love will save us now  
Only love will talk it down,  
You're my unlikely hero,  
I try so hard but you won't surrender,  
I want you to know,

I like everybody, but not everybody likes me,  
oh whoaa oh  
My love's not an island,  
it's the tip of a volcano, oh whoaa oh

I'm alive I'm alive but only just  
I'm alive, no one to trust  
Oh you're my unlikely hero,  
I try so hard but you won't surrender,  
I want you to know

I like everybody, but not everybody likes me  
oh whoa oh  
My love's not an island,  
it's the tip of a volcano  
oh whoa oh

Oh Gumbaro, everybody talks  
Oh gumbaro, no one hears  
Oh Gumbaro, everybody talks  
Oh gumbaro,

Unlikely Hero  
I try so hard but you won't surrender,  
I want you to know,  
Whoaa oh whoaa, whoaa oh whoaa

I like everybody,  
but not everybody likes me  
oh whoaa oh  
My love's not an island,  
it's the tip of a volcano  
oh whoaa oh  
(repeat)

Only love, only love will save us now  
Only love will talk me down,  
Only love, only love will save us now  
Only love, only love will save me now  
ooh whoaa oh

only love, only love, only loooooove (x3)  
only love, only love, o-only
