(Jett)

Shes works real hard to try to make things right  
To see if she can find a reason for what's wrong  
In life - she puts her thoughts into magazine form  
An' passes them all around her dorm  
Showin' me another way, another way to fight

Activity Grrrl - tryin' to change the world  
She's gonna knock on your door  
Activity Grrl - in an uptight world  
She's impossible to ignore

She spends her days involved in community things  
An' at night she'll go out to a club where she likes to sing  
She teaches so the others will know  
There's more beneath the skin that doesn't show  
An' she's lookin' at the challenge that tomorrow's bringin'

Activity Grrrl - tryin' to change the world  
She's gonna knock on your door  
Activity Grrl - in an uptight world  
She's impossible to ignore

Hopes to fix the problems that come within her space  
An' takes hurtin' people real serious, you can see it on her face  
She can't accept that life is unfair  
She wants to think the others care  
An' won't go away she's gonna stay right in your face

Activity Grrrl - tryin' to change the world  
She's gonna knock on your door  
Activity Grrl - in an uptight world  
She's impossible to ignore

Activity Grrrl - tryin' to change the world  
She's gonna knock on your door  
Activity Grrl - in an uptight world

She's impossible to ignore
