Ah, now I don't hardly know her
But I think I could love her
Crimson and clover

Ah when she comes walking over
Now I've been waitin' to show her
Crimson and clover over and over

Yeah, my, my such a sweet thing
I wanna do everything
What a beautiful feeling
Crimson and clover over and over

Crimson and clover over and over
Crimson and clover over and over
Crimson and clover over and over
Crimson and clover over and over
