(Jett - Bjelland)

I was feeling so much
But I was losing touch
See the way that I feel
I feel unpeeled

Don't vacuum my heart
Cause I'll rip you apart
I'll let you inside
An take your mind for a ride

You ran away, I hate this game
I fell away, I'll leave today
You know my name, it's here to stay
Don't wanna play your stupid games

Can't take more of this, I'm gettin' really pissed
All alone in my mind, screams wall of time

You ran away, I hate this game
I fell away, I'll leave today
You know my name, it's here to stay
Don't wanna play your stupid games

It's the same old thing
Sick of everything
Seems I know it too well
Just your little hell
