(Bunker Hill)

Say man, looky here!
Let's get together tonight an' play some hide & go seek
Whatcha say?
(Yeah) Well c'mon!

Well I love you, love you, love you
Tickle, tickle, hug me, hug me hug me
You all hid (yeah)
If you ain't hid ya better holler billy goat (bah)
Are you ready? (I'm not ready)
Aw man let's hide this time

I went down the road, the road was muddy
I stubbed my toe, my toe was hurtin'
You all hid? (yeah)
If you ain't hid you better holler billy goat (bah)
Two bars of washin' powder, two bars of soap
Already hid you better holler billy goat

I went down the road, the road was muddy
I stubbed my toe, my toe was hurtin'
Walk don't jump to the bottom of the well
Swam by the devil n' he. . .
(Wha'd he say, wha'd he say)
I'm not gonna say that!
You all hid? (yeah)

If you ain't hid you better holler billy goat (bah)
(look what I go, look what I go)
Aw man will you put down that thing you got
In your hand an' find your hole an' get it it
I'm gonna say this just one more time, yep
5, 10, 15, 20, 25, 30, 35, 40, 45, 50
You all hid? (yeah)
If you ain't hid you better holla billy goat (bah)

One potato, tow potato, three potato, four
All ain't ready better let me go
If you hid, behind my pie

I'm gonna hit you right in the eye
You all hid? (yeah)

If you ain't hid you better holla billy goat (bah)
Now are you ready? (I'm still not ready)
Aw man looky here I want you to find yourself
The tallest tree an' I want you to climb up in it
An' walk out on the limb an' jump
An' I hope that you fall in the deepest hole

I mean listen, cause I'm gonna say this
Just one more time
Say I went down the road, the road was muddy
I stubbed my toe, my toe was hurtin'
Two bars a' washin' powder, two bars a' sop
All ain't hid you better holla billy goat (bah)
now I know you're ready this time man
(I'm ready, I'm ready!)
