(Jagger-Richards)

Baby, baby I've been so sad since you've been gone
Way back to New York City, where do you belong
Honey I missed your two-ton kisses, legs wrapped
around me tight
If I ever get back to fun city, oh, I'm gonna make you
scream all night

Honey, honey, call me on the telephone
I know you're movin' out to Hollywood where you get to
taste the bone
I don't beat up friends of mine got to get it in there
good
Well lead guitars movie stars, get it all beneath your
hood

Yeah! You're a star, star, star, star, star
Star, star, star, star, star
Star, star, star, star, star

Yeah, I heard about your polaroids
Now that's what I call obscene
Your tricks with fruit are kinda cute
I bet you keep your pussy clean
Well honey, I miss your two-ton kisses
Legs wrapped around me tight
If I ever get back to your town oh
I'm gonna make you scream all night yeah I will

Yeah! You're a star, star, star, star, star
Star, star, star, star, star
Star, star, star, star, star

I even wound up made with you
For giving head to Steve McQueen
Yeah you and me we made a pretty pair
Brought it to the silver screen
THE GETAWAY was quite a rage
I don't know where to draw the line
If I ever get back to your town oh

I'm gonna make you scream all night, try me

Yeah! You're a star, star, star, sTar, star
Star, star, star, star, star
Star, star, star, star, star
