Good news
Good news
An angel brings Good news
Good news
Good news
I meet you with Good news
Close your eyes
Fold your hands
For a moment let your
Sorrow fade
Why, oh, why are you afraid
Has this world
Stripped you of your faith
Close your eyes and on bended
Knee
Listen to an angel pray
And once again prepare the
Way
So you'll see a gift that's given
For you a time of
Joy
Behold a baby boy
Bow your head
Speak not a
Word
Let the silence take you far from here
The spirit
Disappear
Bow your head and on bended knee
Hear the
Story once again
The child grew up to wear a cross
A
Child grew up to pledge a life
For us a time of joy
Behold, Christ a baby boy
For us is born this night
In a
Manger wrapped in swaddling clothes
Christ the Savior,
Christmas day

All our burdens washed away
We break
The bread
We pour the wine
And angels descend with a
Heavenly sigh
