He was sitting there, floating in the air  
Alone on a cloud, sparkling all around  
He went "pop" when he saw me  
With those magnetic eyes  
My heart stopped when I saw him  
I just couldn't breathe any more

He stood up and he walked on the air  
And sparkling away headed up to me  
With a smile on his face he said "come on hon"  
Then we jumped in hyperspace  
And inversed my polarity

Said I'm an anti-man (anti-man)  
Live in an anti-world (anti-world)  
I've got an anti-dog (anti-dog)  
Would you be, would you be my anti-girl

He took me back to his anti-car  
And drove me home, I mean... anti-home  
Then he kissed me so sweetly all night long  
And he took me completely  
To a different world

Then he kissed me so sweetly all night long  
And he took me completely  
To a different world

He was an anti-man (anti-man)  
Live in an anti-world (anti-world)  
He had an anti-dog (anti-dog)  
Would I be, would I be his anti-girl

I said yes, yes, yes, oh really yes!  
Yeah yeah yeah, I mean... anti-yes!  
Now I walk ever so smoothly  
Floating in the air  
And I look ever so sparkly  
Sitting alone on my cloud

Because I'm an anti-girl

Live in an anti-world  
I've got an anti-cat  
Would you be, would you be my anti-man

Oh yes I'm an anti-girl (anti-girl)  
Live in an anti-world (anti-world)  
And I love my anti-man (anti-man)

Because I'm an anti-girl  
And I love my anti-man (anti-man)  
Oh I love my anti-man
