You can ring, you can ring and I won't show up  
You can phone you can phone and I won't pick up  
You can write and you can fax, straight in the scrap  
You can scream and you can shout and I won't wake up

But you can catch me on the Web  
Click me, click on me  
Link me on the Web  
Oh baby, I'll hyperlink to you  
Surf me on the Web  
My page is all for you  
Call me on the Web  
I'll open, open my windows to you

You can ring, you can ring and I won't show up  
You can phone you can phone and I won't pick up  
You can write and you can fax, straight in the scrap  
You can scream and you can shout and I won't wake up

But you can catch me on the Web  
Click me, click on me  
Link me on the Web  
Oh baby, I'll hyperlink to you  
Surf me on the Web  
My page is all for you  
Call me on the Web  
I'll open, open my windows to you

And I won't show up  
And I won't pick up  
Straight in the scrap  
And I won't wake up

But you can catch me on the Web  
Click me, click on me  
Link me on the Web  
Oh baby, I'll hyperlink to you  
Surf me on the Web  
My page is all for you  
Call me on the Web  
I'll open, open my windows to you
