Don't need your sad face,sorry bae by
But I made up my mind
Made up my mind

Don't need a re-run,been there,done,done
You're so back in time
Back in time

Yeah,I know that the se* was good
I remember,I was showing you what to do
Yeah,yeah
Up against the walls, bathroom stalls ooooooooooo
I was so friggin' blind
So friggin' blind

And now I'm singing

(Chorus)
Oh,oh,
Been feeling so fly since you been go-one
My face to the sky,sunglasses o-on
Turning up the beats so sick,
I'm like a brand new chick(x2)

Don't need a rescue
It's all good baby
I been hittin' my stride
Hittin' my stride

Got my red lipstick on
Engine's revving

You're so far behind
And I'm taking mine

Yeah,I know that uhh'd me good
I remember and I showed you a thing or two
Yeah,yeah
Got goin' on my back
Look at yeah
Bet you thought I'd never survive
Well I'm still alive

And now I'm singing

(Chorus)

(Post-Chor)

I'm like a, I'm like a, I'm like a brand new
I'm like a, I'm like a, I'm like a brand, brand
Turning up the, turning up the, turning up
The beat so sick
I'm like a brand new chick

You wouldn't recognize me
Standing right in your face
Nothing like I used to be, be, be

And now I'm singing

(Chorus)

(Post-Chor)(x2)
