Gonna teach you a brand new dance,
Gonna make you work off those pants,
Put your hand there do it like that,
(Oo-ooo, oo-ooo)

In the backyard on the grass,
In the club on your boyfriends lap,
Barefoot now shake it like that,
(Oo-ooo, oo-ooo)

It's not a hip hop video scene,
It's not about choreography,
Let yourself go, let yourself free,
(Oo-ooo. oo-ooo)

[Chorus]

Up, down, turn around (A-jamba-jum)
Bend down, touch the ground (A-jamba-jum)

Gather around this camp fire,
Hail to the power higher,
Let your body be inspired,

Can't do it in your tight tight pants,
Let your belly out clap those hands,
An out of body experience,
(Oo-ooo, oo-ooo)
(Ooo, jamba-jum)
