Turning me stronger, turning me stronger
Turning me stronger, turning me stroooong!

You had me locked down, was under house arrest
You're like my uncle Ben, how many days I got left?

Keep counting down now, you see me holding my
breath
My breath, my breath, my breath!
You had me green and blue and up and over my head
Addicted to the screw when you won't give me my flex
I'm getting up and down, accelerator within, within

Hook:
And all the powerful girls all around the world
They don't take a shit, hell!
They don't take a shit, no!
And all the powerful girls, all around the world
They don't take a shit, hell!
They don't take a shit, no!

Spinning, spinning, spinning, I never fall
Like a disco ball, let me dance on
Turning me stronger, yeah
Turning me stronger, oh, oh!
Kill me, kill me, kill me with every shot
Watch me eat this up, no you don't stop!
Turning me stronger, oh, oh!
Turning me stronger, oh, oh!

You had me on the ground and down and powerless
Drop in your penthouse, feel like I'm turning the trick
Gotta get off the take, I'm gonna plan my escape,
escape, escape!

Hook:
And all the powerful girls all around the world
They don't take a shit, hell!
They don't take a shit, no!
And all the powerful girls, all around the world
They don't take a shit, hell!

They don't take a shit, no!

Spinning, spinning, spinning, I never fall
Like a disco ball, let me dance on
Turning me stronger, yeah
Turning me stronger, oh, oh!
Kill me, kill me, kill me with every shot
Watch me eat this up, no you don't stop!
Turning me stronger, oh, oh!
Turning me stronger, oh, oh!
Turning me stronger, oh, oh!
Turning me stronger, oh, oh!

Hook: (x2)

And all the powerful girls all around the world
They don't take a shit, hell!
They don't take a shit, no!
And all the powerful girls, all around the world
They don't take a shit, hell!
They don't take a shit, no!

Hell no, hell no, hell no
Hell no, hell no, hell no
Hell no, hell no, hell no
Hell no, hell no, hell no

Spinning, spinning, spinning, I never fall
Like a disco ball, let me dance on
Turning me stronger, yeah
Turning me stronger, oh, oh!
Kill me, kill me, kill me with every shot
Watch me eat this up, no you don't stop!
Turning me stronger, oh, oh!
Turning me stronger, oh, oh!
Turning me stronger, oh, oh!
Turning me stronger, oh, oh!

Hook:

And all the powerful girls, po-powerful girls, po-
powerful girls
And all the powerful girls, po-powerful girls, po-
powerful girls
And all the powerful girls all around the world
They don't take a shit, hell!
They don't take a shit, no!
