No you don't stand a chance  
For a second in my world  
The same old song  
You won't last long  
If you can't stand behind the music  
All the fame, all the girls  
All the money in this world  
They don't mean shit, better admit  
If you can't stand behind the music

So stand up  
Show 'em how we do it  
Won't back down until I see your  
Hands up  
Hit them with the new shit  
Stand behind the music

You gotta get behind  
Cross your heart, hope to die  
Splash a hike  
Dash a pretty that don't mean I'll buy  
Okay I'm out already  
I'm getting blinded  
From all the frauds, all the phonies, all the fakes  
Slow down  
It's the best place for  
Breath, breath  
Look my face and to me say  
"who the hell am i?"  
Look me in the eye  
Is this conviction or addiction or a waste of time?

Just name a genre  
Yeah I'll try that  
Been doin' this from 15 to last year  
I need a break already  
I gotta find it  
And for the first time in my life, I'm doing my shit  
I, I, I, I can't stand this  
Pop tart canned it  
Girls getting famous, getting naked, gettin' round it  
Chew it up

Make my teeth right  
You think I'm talkin' to ya?  
I'm probably not, nah

No you don't stand a chance  
For a second in my world  
The same old song  
You won't last long  
If you can't stand behind the music  
All the fame, all the girls,  
All the money in this world  
They don't mean shit, better admit  
If you can't stand behind the music

New York  
When I was a teenager  
Lookin' for a label and a little clean danger  
Had an appetite for (new adventure)  
Open every 'do not enter'  
Yeah I was tryin' hard to be somebody  
Be the cool kid at the party  
Lookin' at me laddy daddy, hottie hottie, hot tamale  
Stranger feelin' up my body  
Told me I could be somebody  
Wait,  
Somebody sat me went home, and I called my mommy  
Hell no, I'm not that girl  
I still wanna be the leader of the f\*cking free world  
Yeah I'm a big dreamer  
I'm a believer  
Just try to tell me no, I'ma go full steam but it  
No, can't slow me down  
I built this house from the inside out  
Block by block from the bottom to the top  
I know just who I is  
And I know just who I'm not

No you don't stand a chance  
For a second in my world  
The same old song  
You won't last long  
If you can't stand behind the music  
All the fame, all the girls,  
All the money in this world  
They don't mean shit, better admit  
If you can't stand behind the music

So stand up, show em how we do it  
Won't back down until I see your hands up  
Hit em with the new shit  
Stand behind the music

Stand up, come on let me see your  
Front door to the nose bleeders  
Hands up, if you look at me  
Let's stand behind the music

No you don't stand a chance  
For a second in my world  
The same old song  
You won't last long  
If you can't stand behind the music
