I was feeling sick, losing my mind  
Heard about these treatments from a good friend of  
mine  
He was always happy, smile on his face  
He said he had a great time at the place

Peace and love is here to stay  
And I can wake up and face the day  
Happy, happy, happy all the time  
Shock treatment, I'm doing fine

Gimme, gimme shock treatment  
Gimme, gimme shock treatment  
Gimme, gimme shock treatment  
I want a, want a shock treatment

I was feeling sick, losing my mind  
Heard about these treatments from a good friend of  
mine  
He was always happy, smile on his face  
He said he had a great time at the place

Peace and love is here to stay  
And I can wake up and face the day  
Happy, happy, happy all the time  
Shock treatment, I'm doing fine

Gimme, gimme shock treatment  
Gimme, gimme shock treatment  
Gimme, gimme shock treatment  
Gimme, gimme shock treatment

Gimme, gimme shock treatment  
Gimme, gimme shock treatment  
Gimme, gimme shock treatment  
I want a, want a shock treatment
