You're a punk but I don't know
Why you don't shower or change your clothes

And I don't wanna sit around with you
And I don't wanna do the things you do
You're ugly and your breath it smells bad too
And I don't wanna sit around with you

With you, with you, with you

And I don't wanna sit around with you
And I don't wanna do the things you do
You're ugly and your breath it smells bad too
And I don't wanna sit around with you

With you, with you, with you
