One, two, three, four

I don't wanna walk around with you
I don't wanna walk around with you
I don't wanna walk around with you
So why you wanna walk around with me?

I don't wanna walk around with you
I don't wanna walk around with you

I don't wanna go out with you
I don't wanna walk around with you
I don't wanna walk around with you
So why you wanna walk around with me?

I don't wanna walk around with you
I don't wanna walk around with you

I don't wanna walk around with you
I don't wanna walk around with you
I don't wanna walk around with you
So why you wanna walk around with me?

I don't wanna walk around with you
I don't wanna walk around with you, alright

I don't wanna walk around with you
I don't wanna walk around with you
I don't wanna walk around with you
So why you wanna walk around with me?

I don't wanna walk around with you
I don't wanna walk around with you
