One, two, three, four

I remember you, I remember you  
I remember you

I remember lying awake at night  
And thinking just of you  
But things don't last forever  
And somehow, baby  
They never really do, they never really do

I remember you, I remember you  
I remember you

I remember lying awake at night  
And thinking just of you  
But things don't last forever  
And somehow, baby  
They never really do, they never really do

I remember you, I remember you  
I remember you

I remember you, I remember you  
I remember you, I remember you

I remember you, I remember you  
I remember you

I remember lying awake at night  
And thinking just of you  
But things don't last forever  
And somehow, baby  
They never really do, they never really do

I remember you, I remember you  
I remember you

I remember you, I remember you  
I remember you, I remember you
