when i look at you
my heart just goes insane
when i think about you
i kind of lose my brain

'cause a guy like me
doesn't have a chance in the world
with a girl like you
and even if i dreamed everynight
i know it wouldn't come true
so tell me what i gotta do

ooo-eh-ooo
ooo-eh-ooo
ooo-eh-ooo
i'm so stupid, stupid for you

when you look at me
i turn my head in shame
and you don't think about me
'cause your friends all think i'm mean
