No, he doesn't like to drink
And he doesn't care what people think
When he tells them he loves God

And nobody seems to care
That he's lost a lot of hair
And that he still lives with his mom

Someday I hope to meet him
Talk to him face to face
I'd get him to autograph
My sunshine junior tapes

Jonni Walker, woah oh
He's the coolest kid in town
Everybody wants to be just like him
But nobody knows just how

Jonni Walker, woah oh
He's the envy of my eye
If I could I'd change my name
To start with a "J" and end with an "I"

Well, he's got himself a band
And he prefers to stand
Up front at all the shows

He writes cool songs about his girl
And about friends and about his girl
And stuff that everybody already knows

Someday I hope to meet him
But I know that I'm not worthy
There's nobody cooler
Except that Jon from New Jersey

Jonni Walker, woah oh
He's the coolest kid in town
Everybody wants to be just like him
But nobody knows just how

Jonni Walker, woah oh

He's the envy of my eye
If I could I'd change my name
To start with a "J" and end with an "I"
