I used to be dependent on a love
That was only rented
For a small amount of time
Just to mess up my mind on you

Oh, a girl like you is so priceless
To a guy so indecisive
Makes me wanna lose my mind
'Cause I wasted my time on you

Oh, you are the girl
That I thought I loved
But now I'm oh so sure

Oh, oh
(Oh, oh)
Alright
(Alright)
I'm alright
With out you baby

Alright
(Alright)
Alright
(Alright)
I'm alright
With out you

I ran around in circles jumping
Over all your hurdles
On the chance of taking time
To settle down my mind on you

Oh, a girl like you is so priceless
To a guy who [unverified]
He's messed up in the mind
'Cause he wasted his time on you
