Board again and its just no fun
Nowhere to go and I've got no one
So if I had somewhere to go
Why do I have to be so shy
Should I sit around and wonder why
Should I break down and let you know

Drove by house ten times day
Would have stopped but I couldn't stay
Yeah, I know my nerves would give me up
Maybe I should try the phone
I'll be lucky and you wont be home
But if you answer, I'll be stoked

'Cause I got nothing to do
I bet your doing the same thing too
So why don't we sit around
And do nothing together

'Cause I'd love to waste your time
And I'd gladly give mine
'Cause two doing doing nothing sounds
So much better oh, yeah

All alone on a Friday night
If I can muster up the nerve I might
Drive by you house just one more time
Ive been think bout this all day
Doesn't matter the words I say
Just a few more stones and I'll be by

'Cause I got nothing to do
I bet your doing the same thing too
So why don't we sit around
And do nothing together

'Cause I'd love to waste your time
And I'd gladly give mine
'Cause two doing doing nothing sounds
So much better oh, yeah

I'm sorry about your window

I didn't mean to throw so hard
But I was standing in your neighbors
And you looked down at me and said

'Cause I got nothing to do
I bet your doing the same thing too
So why don't we sit around
And do nothing together

'Cause I'd love to waste your time
And I'd gladly give mine
'Cause two doing doing nothing sounds
So much better oh, yeah
