"I Can't Control Myself"

Across the pathless sands
Through jungle, blind, I run
No guide taken in hand
And no idea where to turn

No sanctuary found
I tear myself in two
I pray for scarlet fields to save me
Whole and white and pure

I can't control myself
Lend one of your hands cause I,
I can't control myself

I dream of lost desires
Fingers run through fur
I drive myself insane
The rain cascades onto the dirt

And in the throes of love
Where the shadows burst in flames
I cast myself abandoned
With a cry I call your name

I can't control myself
I try and I try but I,
I can't control myself

I can't control myself
Lend one of your hands cause I,
I can't control myself
Or hold myself in though I try
I can't control myself
Deliver me from the fire
I can't control myself
