Did you see her
She's out of sight
Did you see
She's always cool and bright

Waiting for her, oh
You know you're wasting your time
With Monica Gems, oh
No matter how hard you try

People say, oh
She keeps them cool and bright
People say, oh
You're wasting all your time
With Monica Gems, Monica Gems,
Monica Gems, Monica

Did you see, oh
She's out of sight
Did you see, oh
She's cool and bright

Waiting for she, oh
You'll be waiting all your life
Monica Gems, oh
You know I think of her sometimes

Monica Gems
Oh, oh, oh, oh
Monica Gems, oh

And we've all been there for Monica, Monica
For Monica, Monica [x3]
Oh, oh, oh, oh [x4]
