

Horrors, The "Scarlet Fields"

Visit "[Scarlet Fields](#)" on MotoLyrics.com

As the summer fades away
You'll lead me to the garden
Passing the lovers
Swooning in the autumn

See yourself, your image in the eyes of someone else
See yourself, your fears as they appear to someone
else

When the sun sets
On dark silhouettes
Collapse into a dream
Collapse into a dream
Collapse into a dream

As the summer fades away
Laugh at my reflection
Passed to a lover
Seeking your affections

See yourselves, an image in the eyes of someone else
See yourself, your fears as they appear to someone
else

When the sun sets
On dark silhouettes
Collapse into a dream
Collapse into a dream
Collapse into a dream

Though I know you won't be here for long
