"You Think I'm Lonely"

Every night I ask myself,
why do I want nobody else?
Told you not to come,
I'm not the lonely one,
Told you not to come,
and I'm not the only one here.

When you come you show up late,
there are so many things about you I hate.
Told you not to come,
told you not to come.
Told you not to come,
and I'm not the only one here.

Girl, I told you I don't wander 'round the front door,
Girl, I told you I don't wanna see your face no more.
Told you not to come,
I'm not the lonely one,
Told you not to come,
and I'm not the only one here.

I'm not the only one here.

I'm not the only one here.

Told you not to come,
told you not to come.
Told you not to come,
I'm not the only one.

Every night I ask myself,
why do I want nobody else?
Told you not to come,
told you not to come.
Told you not to come,
I'm not the lonely one.

I'm not the lonely one.

Told you not to come,
told you not to come.

Now, slow down,
It's not over yet,
It's not over yet!

Every night I ask myself,
why do I,
why do I,
why do I want nobody else, nobody else?

When you come you show up late,
there are so many, there are so many.
Told you not to come,
I'm not the lonely one.
Told you not to come,
you think I'm the lonely one?
You think I'm the lonely one?
You think I'm the lonely one?
I'm not the only one here.
I'm not the only one here.
I'm not the only one here.
I'm not the only one here.
I'm not the only one here.
I'm not the only one here.
I'm not the only one here.
I'm not the only one here.
I'm not the only one here.
