[Chorus:]

I try to see your point of view
But you twist and exaggerate,
Everything that I say
Just to prove a point

Show to me you guarantee
The blind lead the blind
Treading round in circles
Waiting to achieve
Distorted,
Contorted,
Misshapen views that you try to teach me,
But you fall short
[Chorus:]

I try to see your point of view [2x]

I can't imagine the jealousy that you must feel,
When I kiss another girl

[Chorus]
