Pull at the seams
Until the threat
Is gone
Rattle and cough
But your words
Don't belong

How many times doesn't matter
Acting like you're my best friend

But I think you know
You went too far this time
And I think you know
You went and crossed the line

Use suicide
To buy yourself
More time

How many tries doesn't matter
Funny how you make demands

But I think you know
You went and crossed the line
And I think you know
Good friends are hard to find

You just help yourself
You just help yourself
You just couldn't seem
To grow up at all
You just help yourself
And nobody else...
