February, Tuesday the twelfth
Thirteen days seem so very far away
Has it ever occurred to you
I'll be gone and you will too.

[Chorus:]

I've wanted to tell you
So let me hold you
In my arms tonight
We could be forever, be forever
Loving you girl
In my arms tonight

Friday night
Is going oh so well
Seems average, and overrated
So uncomplicated
'till you strolled over
And put your arms around me

[Chorus]

Please let me hold you
I want to stay
I will be forever
Loving you...

[Chorus]
